Re: 2018 Road Improvement Program: Sharot Street (between cu-de-sac and Leick Avenue) - Borough of Carteret, NJ

Dear Resident:

Please be advised that on or about **Monday, October 29th, 2018** weather permitting construction will begin on **Sharot Street**. Work hours are 7:00am until 5:00 pm. Work will consist of **concrete**.

Milling and paving will follow once all concrete work is complete. Residents will receive another notice for the milling and paving.

During the project, temporary no parking signs will be posted along the road in the work area, please do not park your cars on **Sharot Street** where there are **NO PARKING SIGNS POSTED**.

For everyone's safety, we urge you to use caution when driving in the work zones and to be aware of our construction equipment operating on the roadways. Please allow a few extra minutes for the potential delays caused by the construction.

If you have sprinklers we would greatly appreciate your help if you could mark the sprinkler lines to avoid any damage to your sprinkler system during construction. We would also appreciate your help by watering your lawn after it has been restored with top soil and seed.

We apologize for any inconvenience that we may cause during these permanent improvements to your street and we appreciate your patience and help throughout the project, together we can complete and finish this project faster.

Sincerely,
S. Brothers Management
